dricks "cordially endorses and approves his letter to Prof. Silliman and his special Message concerning Kansas affairs." It was in this letter and in this special Mes sage that the President re-asserted the doctrine that the Federal Constitution carried slavery into all the Territories, and that the slaveholder should have Congressional protection in holding his siaves there. This doctrine, right in the teeth of the doctrine of Popular Sovereignty, was endorsed and approved by Mr. Hendricks on the 13th day of February, 1858, just at the wanted no office then and he austained Mr. Buchanan's friends, in the West, have all deserted him, and the Hoo, asptrant for the Governorship of Indiana, changes his principles and his political cost, and repudiates the very doctrine he advocated Hendricks in the Lecompton policy of the his voice against it once during the many months it was pending. Not a syllable of his stands on record anywhere against it. In the fullest sense of the word he gave it the influence of his approval. Now he comes to the people of Indiana soliciting ly repelled all complicity in that great wrong give him their support?

If the Democratic party is honest they will repudiate him, if not, its members may repudiate their own manhood, and vate for Thos. A. Hendricks.
